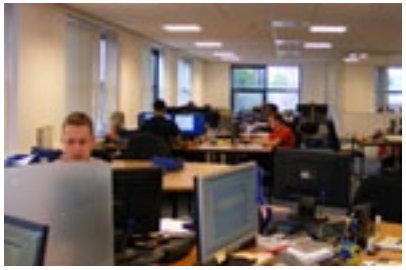
Audio Foto Video TV Computer Gaming Huishoudelijk Accessoires Distributie

Ricatech B.V. is opgericht in 2005 en levert consumenten elektronica in heel Europa. Vanuit ons hoofd kantoor en magazijn voorzien wij onze afnemers van de nieuwste technologieën. Binnen Europa werken wij met een team van betrouwbare distributeurs en retailers om de efficiency en service tevens over de grenzen te waarborgen. Door een snelle groei van ons bedrijf zijn wij in 2009 verhuist naar een nieuwe locatie in Capelle aan den IJssel.

Tevens hebben wij een kantoor in China waar onze collega's de productie van onze artikelen in goede banen leiden. Ook sourcen wij op verzoek van klanten naar producten en houden zo de lijnen naar het verre oosten kort.

Ons assortiment is altijd up-to-date en staan wij klaar voor onze klanten.

Wij streven naar een langdurige en solide samenwerking met onze klanten.



Met als motto "de verkoop begint met de service" begeleiden wij niet alleen onze afnemers maar tevens de eindgebruikers in het after-sales traject.

Onze professionele support afdeling is makkelijk te bereiken via E-mail en telefoon.

Het leveren van de laatste technologieën tegen de beste prijzen realiseren wij door intensief te blijven concentreren op de ontwikkeling en fabricage van onze eigen producten. Al onze goederen voldoen aan de strengste eisen van de EU waaronder: CE, FCC, ROHS SISVEL.
Ook het leveren van goederen onder OEM Licentie behoort tot de mogelijk-heden.

Met een totale oppervlakte van ruim 1200 m2 is ons magazijn het kloppend hart van Ricatech B.V. Wij leveren vanuit onze eigen voorraad en kunnen binnen 24 uur leveren. Om hoogwaardige logistieke service te garanderen is onze logistieke infrastructuur uitgerust met Unit4 Agresso, EDI en VMI. Zo zijn wij instaat om honderden vestigingen te voorzien van de gewenste aantallen en te leveren op de gewenste datum.

Door centrale ligging in de BeNeLux en nabij de A20 / A16 is ons magazijn makkelijk bereikbaar.

Ook de ligging nabij de haven biedt veel mogelijkheden voor onze container leveringen.

Met een No nonsens cultuur, snelle service en direct contact, leveren wij aan diverse distributiekanalen en retailers in heel Europa.

Wij werken met zowel pick voorraad als bulk voorraad.

Met de dagelijkse pick-ups die wij contractueel hebben afgesloten met onze logistieke partners zoals DHL, UPS en TNT kunnen wij 24 uurs leveringen garanderen.

Ons magazijn is modern ingericht en wij hebben alle laatste technieken tot onze beschikking om inkomende en uitgaande zendingen een vlotte doorstroom te geven.

Ricatech treedt veelvuldig in de belangstelling met diverse media uitingen zoals advertenties en producten reviews in diverse grote bladen.

WX170M Wireless Weather Station

Wireless Indoor / Outdoor Thermometer
Display of indoor temperature
Display of outdoor temperature sensor with wireless sensor
Memory min / max. temperature
Temperature Trend Indicator
Radio controlled clock with dual alarms
Calendar
Expanding wireless remote, expandable with 2 sensors
30 meters range wireless sensor
LCD display with backlight
Base station requires 2 AA batteries
Sensor operates on 2 AA batteries

Model nr :	Color :	Art.nr :	EAN Barcode :
WX170M	Black	648103	8711974702624

WX171 Wireless Weather Station

Wireless Indoor / Outdoor Thermometer
Display of indoor temperature
Display of outdoor temperature sensor with wireless sensor
Memory min / max. temperature
Temperature Trend Indicator
Radio controlled clock with dual alarms
Calendar
Expanding wireless remote, expandable with 2 sensors
30 meters range wireless sensor
LCD display with backlight
Base station requires 2 AA batteries
Sensor operates on 2 AA batteries

Model nr :	Color :	Art.nr :	EAN Barcode :
WX171	Silver	648104	8711974702761

WX360M Wireless Weather Station

Wireless indoor / outdoor Thermometer
Display of indoor temperature
Display of outdoor temperature sensor with wireless sensor
Memory min / max. temperature
Displays indoor humidity
Display of outdoor humidity sensor with wireless sensor
Temperature Trend Indicator
Radio controlled clock with dual alarms
Calendar
Expanding wireless remote, expandable with 2 sensors
30 meters range wireless sensor
LCD display with backlight
Base station requires 2 AA batteries
Sensor operates on 2 AA batteries

Model nr :	Color :	Art.nr :	EAN Barcode :
WX360M	Black / Silver	648105	8711974756023

WXR710XL Draadloze Weer Station

Wireless Digital Weather station
Display of weather forecast with pressure trend
Pressure display in Hpa / Mbar and atmospheric pressure over last 24 hours
Expression of the sun and moon
Display of indoor temperature
Display of outdoor temperature sensor with wireless sensor
Memory min / max. temperature
Displays indoor humidity
Display of outdoor humidity sensor with wireless sensor
Display of wind speed and direction
Display of precipitation
Dew point display
Temperature Trend Indicator
Radio controlled clock with dual alarms
Calendar
Wireless remote sensors for temperature, wind and precipitation
30 meters range wireless sensors

Model nr :	Color :	Art.nr :	EAN Barcode :
WXR710XL	Black	648112	8711974702891

PMT980 Draadloze Weer Station

Wireless Digital weather station and weather forecast for 4 days
Weather forecast using satellite information
Thermometer for indoor and outdoor temperature
Hygrometer for internal and external air humidity
Forecast for day and night
Radio Controlled Clock and Calendar
Wind and precipitation probability
Forecast for today and the next 3 days
Display of region or city
Display of weather forecast with pressure trend
Pressure display in Hpa / Mbar and atmospheric pressure over last 24 hours
Expression of the sun and moon
Display of indoor temperature and outdoor temperature sensor with wireless sensor
Memory min / max. temperature
Displays indoor / outdoor humidity with expandable sensor
Display of wind speed and direction, precipitation, Dew point
Temperature Trend Indicator

Model nr :	Color :	Art.nr :	EAN Barcode :
PMT980	Silver	648117	8711974756634

WXR815LM Draadloze Weer Station

Wireless Digital weather station
Display of weather forecast with pressure trend
Pressure Display in Hpa / Mbar and atmospheric pressure over last 24 hours
Expression of the sun and moon
Display of indoor temperature
Display of outdoor temperature sensor with wireless sensor
Memory min / max. temperature
Displays indoor humidity
Display of outdoor humidity sensor with wireless sensor
Display of wind speed and direction
Display of precipitation
Dew point display
Temperature Trend Indicator
Radio controlled clock with dual alarms
LCD display with backlight
USB connection for computer use
Memory for multi-day measurements
Infrared Remote Control
Wireless remote sensors for temperature, wind and precipitation
30 meters range wireless sensors

ISEE180	White		

BPM180 Wrist Blood Pressure Monitor

Clinically tested
Oscillometric measuring method
Measurement range blood pressure 0-300 mmHg
Heart rate 40-200 beats per minute
Automatic pressure and dismantling
Resolution 1 mmHg
Accuracy ± 3 mmHg blood pressure (2%)
Heart rate accuracy ± 5%
WHO blood pressure indication
Heart rhythm disorder indication
Average reading last three measurements
Multiuser 3 persons
3 x 40 memory locations
Large LCD display
Cuff Dimensions: Wrist circumference 135-195mm
automatic purge valve for pumping and draining
Reliable technology oscillometische

Model nr :	Color :	Art.nr :	EAN Barcode :
BPM180	White	648356	8711974759109

BPM610 Arm Blood Pressure monitor

Clinically tested
Oscillometric measuring method
Measurement range blood pressure 0-300 mmHg
Heart rate 40-200 beats per minute
Automatic pressure and dismantling
Resolution 1 mmHg
Accuracy ± 3 mmHg blood pressure (2%)
Heart rate accuracy ± 5%
WHO blood pressure indication
Multiuser 3 persons
3 x 40 memory locations
IPD heart rhythm disorder indication

TH890 2 in 1 Koorts Thermometer

Clinically tested
Suitable for measurement in the ear or forehead
Measurement in 1 second
Memory for 9 measurements
Fever alarm
Self-diagnosis technology
Low energy
Waterproof sensor, no lens cap needed
Innovative temperature compensation technology
Ergonomic Design
Large LCD display
Temperature readout in ° C or ° F
Display of room temperature

Model nr :	Color :	Art.nr :	EAN Barcode :
TH890	White	648354	8711974702570

TH838 Oor Thermometer

Clinically tested
Measurement in 1 second
Memory for 9 measurements
Fever alarm
Self-diagnosis technology
Low energy
Innovative temperature compensation technology
Ergonomic Design
Large LCD display
Temperature readout in ° C or ° F
Includes lens cap sealing

Uses button cell battery (included)
